

With collaboration
of Apulia Region

SISMALAB

>> Soluzioni Ingegneristiche Sperimentali Antisismiche

Sismalab staff is pleased
to invites you to the conference

Lauching a Challenge To Earthquakes

The Experimentation in Apulia to measure itself with world.
Equipment and experiences of the SISMALAB Laboratory.

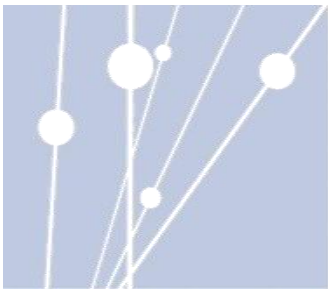

16 december, 2016

c.da Alezza, 6 - Crispiano (Ta), h. 9,30

Official presentation of the new testing machine

ISOL 2500

SISMALAB

>> Soluzioni Ingegneristiche Sperimentali Antisismiche

On the occasion of the official presentation of the new testing machine ISOL 2500 Sismalab staff, in collaboration with the Apulia Region, is pleased to invite you to the Conference:

LAUNCHING A CHALLENGE TO EARTHQUAKES

The experimentation in Apulia to measure itself with world.

Equipment and experiences of the Sismalab laboratory

Friday, December 16, 09.30 am at Sismalab s.r.l. (C.da Alezza, 6 Crispiano Ta)

Interventions :

- **hr. 09,30 Participant registration**
- **hr. 10,00 Martina Caramia** administrator of the Sismalab laboratory
 - **Welcome and Greetings**
- **hr. 10,10 Prof. Eng. Domenico Laforgia** Regional office of economic development
Director, Rector of the University of Salento
 - **Introduction**
- **hr. 10,30 Prof. Eng. Giorgio Zavarise** ordinary professor of building science, computational mechanics, complements of building science - University of Salento.
 - **The prevention of extraordinary events: a technical, social and cultural problem.**
- **hr. 10,50 Prof. Eng. Virginio Quaglini** associate professor in engineering construction and built environment - Polytechnic of Milan
 - **Qualification and acceptance of seismic devices - The role of testing laboratories**
- **hr. 11,10 Prof. Eng. Edoardo Cosenza** Professor of Structural Engineering - University Federico II of Naples
 - **Technical standards and importance of experimentation for the safety of buildings.**
- **hr. 11,30 Eng. Roberto Marnetto**, expert on seismic response of structures and damage mitigation strategies
 - **The experimentation in the seismic safety**
- **hr. 11,50 Eng. Ciro Caramia**, Sismalab Laboratory director.
 - **Presentation of the laboratory**
- **hr. 12,10 Doct. Ruggero Mennea**, councilor of the Apulia Region, president of the permanent regional Civil Protection Committee
 - **Smart Civil Protection**
- **hr. 12,30 Discussion**
- **hr. 13,00 Buffet**

- **hr. 14,00 - will be performed test demonstration all afternoon. The Sismalab staff will be at the complete disposal of guest for any request.**
